**PLANNING APPLICATION B/07/01590/FUL – ERECTION OF EXTENSIONS TO COPELLA FRUIT JUICES LTD**

I refer to your letter of 21<sup>st</sup> October 2010 concerning an amendment to this application.

We are surprised to find that you describe the amendment as “non material” as an examination of the documents suggest that it is in fact a further expansion of premises which we have already argued are excessively intrusive and beyond anything that should be permitted in an AONB.

We continue to be greatly concerned over the apparent ability of this concern to expand almost at will. There does not appear to be any exercise of “Development Control”.
