Subject: Comment on Planning Application

**PLANNING APPLICATION NO B/11/01301 - ERECTION OF DETACHED DWELLING ON
LAND NORTH OF 12 WHITESTREET GREEN, POLSTEAD**

Our attention has been drawn to this application which proposes a new dwelling on a vacant site **in** the AONB – a relevant fact that is not mentioned in the application. While this in-filling is not objectionable in principle the Society wishes to register a view that what is proposed is over large for the site and out of scale with its neighbours. A more modest dwelling would be less intrusive.

David Eking
