**APPLICATION NO B/11/01410 - CHANGE OF COLOUR, ST HUGH'S, SCHOOL STREET,  
STOKE BY NAYLAND**

We understand that your council is opposed to the choice of colour for the woodwork of this property. We have studied the Farrow and Ball colour charts and are not able to understand why such an objection should be raised. The colours proposed for both walls and woodwork seem to us to be discreet and entirely suitable.
